Lockmaster Stable Door Lock Range

**Trusted every day**

# Yale Lockmaster

Yale's Lockmaster stable door lock range provides the ultimate functionality, style, and security in contemporary settings as well as cottages and farmhouses. Lockmaster helps to enhance the benefits of modern stable doors for those who enjoy practicality, flexibility, and dependability.

## Choose the Lockmaster that's right for you

The range includes the original Lockmaster for composite and timber doors and the new Lockmaster 21 for composite and PVCu door sets.

**Simple stylish design  
that fits seamlessly  
with the aesthetics of  
timber, composite, and  
PVCu stable doors**

# Lockmaster 21 PVCu and Composite

## Stable Door Lock Range

Reflecting the increasing trend for stable door functionality in more contemporary settings as well as cottages and farmhouses, this is a welcome addition to our range, enabling us to offer a solution for PVCu and Composite door sets.

### Auxiliary units

- Lockmaster signature hook and anti-lift pins used on top and bottom lock sections
- Adjustable roller to assist with door compression - PVCu variant only
- **Bottom lock section:** 29mm and 61mm shootbolt extensions options are available for PVCu door sets and a 20mm shootbolt extension is available for composite door sets

### Centre units

- A combination of Lockmaster 21 hook centre unit and Lockmaster KeyTurn deadbolt centre unit
- **Top leaf:** Lockmaster 21 hook centre configured for a lever door handle  
**Bottom leaf:** Lockmaster KeyTurn deadbolt centre available with and without adjustable roller bolt
- Range includes 35mm and 45mm backsets
- **Top leaf:** Reversible latch
- **Top leaf:** Includes push in snib feature to prevent accidental lock-outs
- PZ92 centre case

### Faceplate

- Yale branded
- 430 stainless steel
- 16mm square end top and bottom faceplate, with 90-degree return to accept bottom lock shootbolt designed for PVCu door sets

#### THE YALE BRAND

Yale is trusted by millions of people every day to keep what's important to them safe. Our innovations have protected their homes, families and belongings for over 180 years. We have expanded from being a leader in mechanical lock engineering to innovating connected smart locks and homes because we always make every effort to push the boundaries in a changing world. We were there for your grandparents (and probably theirs) and we'll be there for your children. Today, and every day to come.
