Sync Smart Home Alarm

A smart home alarm system built with you in mind, you can arm, part-arm & disarm your home from anywhere, know when your alarm is triggered and if you leave the house, geolocation will remind you to set the alarm.
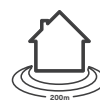

Yale Sync Smart Home Alarm kits work with leading voice assistants, Philips Hue and what's more, now you can control your Smart Home Alarms, Indoor/ Outdoor Cameras and Smart Lock* in one place with the Yale Alarm App.

Full in-app control. Receive Alarm Status notifications straight to your smartphone.

No long term contracts. No monthly subscription fees.

Home & perimeter protection. Add up to 40 accessories within 200m range.

Pro installer equipped. Powered siren for professional installation directly into the mains.

- Distance protection: 200m range allowing you to secure your shed, garage and other outbuildings.
- Geo-location: Reminds you to set the alarm when leaving your home using phone.
- Expandable system: Customise your system with up to 40 accessories.
- Easy set up with pre-linked accessories. Mains powered siren should be professionally installed.
- No monthly fee.
- Full in-app control: Arm, part arm or disarm and control alarm and accessory settings remotely through the Yale Alarm app.
- Supplied with 2 x keyfobs: Easily arm, disarm or emergency trigger the alarm from up to 200m away from the Hub.
- App notifications. Receive real time notifications and alarm status alerts.
- Part armed. Secure your home even when you're there, with zone control.
- Enhanced encryption: to make sure your home stays secure and protected.
- Tamper alarm. Protected by an 94dB internal siren.
- Mains powered siren. With battery-back up if power goes down.
- External Sirens. 104dB powered Siren and Decoy Siren.
- 5 Year warranty.
