

Iron Shutter Padlocks

With over 180 years of manufacturing expertise, the Yale Shutter Padlocks have been built with you in mind.

Our hard-wearing iron shutter padlocks are suitable for a garden shed, gate, shutters or any other outdoor high value items you want to keep safe and secure.

Suitable for

Outdoors

Sheds

Gates

- Hardened steel shackle to prevent cutting
- Tested to EN12320:2012 for different forms of attack such as cutting, twisting and pulling
- Durable lock tested to 10,000 cycles (opening & closing) for optimum performance
- Key retaining - key stays in the lock when it is opened and can only be removed when the padlock is locked

Trusted every day
