LOCKMASTER[®] 21
The lock you know and trust. But even better.

An ASSA ABLOY Group brand

ASSA ABLOY

The lock you know and trust. But even better.

Celebrating 21 years of Lockmaster, Yale is proud to introduce Lockmaster 21, the latest innovative addition to Britain's best-selling range of multipoint door locking systems.

Millions of people worldwide are securing all they care about; their home, their family and their personal belongings, with the security brand they trust the most. Ensure your home has the highest levels of protection with Lockmaster 21 – designed, developed and tested in the UK to Yale's exacting standards, this lock delivers high-performance security, improved ease of use and proven impressive service life.

Complementing a wide range of applications and materials including aluminium, composite, PVCu and timber doors, this lock offers fantastic versatility. Lockmaster 21 has been tested to meet industry standards boasting the reassurance, reliability and outstanding features you would expect from Yale – the world's favourite security brand, securing homes for over 175 years.

Why every home should be fitted with Lockmaster.

A door to suit you

Lockmaster 21 is suitable for use on a variety of door materials including PVCu, timber, aluminium and composite doors.

Protect what matters the most

All over the world, homeowners are putting their trust in Yale to secure their homes, their families and their possessions with the world's favourite security brand.

Manufactured in the UK

Designed, tested and manufactured in the UK. Dedicated to supporting UK manufacturing, this enables us to maintain the high-quality production standards that you expect from Yale.

Complete security

Lockmaster 21's signature hook, pin and compression rollers provide the ultimate in door security.

Energy efficiency

Choose Yale hardware and benefit from the quality, weatherproofing and energy efficiency you expect from modern doors.

Meet the standards

Keeping you and your family safe is our priority, which is why our Yale Lockmaster 21 multipoint door locks are certified to British Standard PAS 24 and are police approved Secured by Design accredited.
