

# Secure cabinets or drawers with our Yale Smart Cabinet Lock.

**Yale Smart Cabinet Lock can be mounted on existing cabinet doors and drawers with single or double doors to secure valuable belongings, or items that should be kept out of reach from children.**

With the Yale Access app, you can get notified whenever the cabinet or drawer opens or if it's tampered with, as well as see if the Smart Cabinet Lock has been locked or unlocked. All of this enabled by the Yale Connect Wi-Fi Bridge.

**Trusted every day**

# Features

**App Control**  
with remote access  
so you can lock and  
unlock from anywhere  
and check status of  
your drawer/cabinet

**Emergency escape**  
button with LED

**Auto-lock**  
ensures that it's  
always secure

- Ideal for childproofing to protect children from tools, cleaning products, liquor cabinets or medicine cabinets. You can also secure your home office, cabinets in shared living spaces or holiday homes.
- Simple to install and fits most cabinets and drawers
- Remote access enabled with Yale Connect Wi-Fi Bridge
- Voice Assistant enabled with Yale Connect Wi-Fi Bridge (not required for HomeKit integration)
- Mounting hardware included - mount your lock easily in your cabinet or drawer with the included hardware and tape

## Smart together

Connect your Smart Cabinet Lock with leading smart home systems, voice assistants and holiday rental platforms for effortless lock control and access management.

## Connects with:

Connect with other accessories and other products from Yale Access Range to open even more possibilities. Check out website for more info.

### Yale Connect Wi-Fi Bridge

For functionalities such as locking/unlocking your cabinet remotely, instant alerts to your phone and for integrations like voice assistants.

### Yale Smart Keypad

Perfect for kids, guests, or your house cleaner to access your cabinet without a traditional key or smartphone.

## How it works:

Download our free Yale Access app on iOS and Android.
