

Yale

Secure cabinets or drawers with our Yale Smart Cabinet Lock.

Yale Smart Cabinet Lock can be mounted on existing cabinet doors and drawers with single or double doors to secure valuable belongings, or items that should be kept out of reach from children.

With the Yale Access App, you can get notified whenever the cabinet or drawer opens, as well as see if the Smart Cabinet Lock has been locked or unlocked.

App Control
with remote access
so you can lock and
unlock from anywhere
and check status of
your drawer/cabinet

Emergency escape
button with LED

AUTO
Auto-lock
ensures that it's
always secure

- Ideal for childproofing to protect children from tools, cleaning products, liquor cabinets or medicine cabinets. You can also secure your home office, cabinets in shared living spaces or holiday homes.
- Simple to install and fits most cabinets and drawers
- Yale Connect Wi-Fi Bridge is required for functionalities such as locking/unlocking your cabinet remotely, instant alerts to your phone and for integrations like voice assistants (The Google Assistant & Alexa)
- Mounting hardware included - mount your lock easily in your cabinet or drawer with the included hardware and tape

Trusted every day
